Subject: Humble request for removal of Dead 66 KV Line from School Premises

Respected Sir/Madam,

I, on behalf of Sparkling Kids The Foundation School, am writing to bring to your kind notice that our school has been inspected physically by the Inspection Committee (IC), constituted by CBSE, New Delhi for approval of our school as a **Branch School of SPARKLING KIDS THE FOUNDATION (MAIN SCHOOL), NIAL BY PASS ROAD, PATRAN, DISTRICT PATIALA-147105 (PUNJAB)** for running classes from Classes Bal Vatika-I to Class-V from C.B.S.E., New Delhi and during the course of physical inspection, the IC members has raised an objection i.e. to remove a 66 KV line passes passing over the open play area which is a dead line, within the premises of our school located at Chunagra Road, Patran. This line is no longer in use but poses a potential risk to the safety of our little tiny tots, students, staff, and visitors.

As you are aware, the presence of such lines in school premises creates a hazardous environment, especially for little tiny tots. Although, the line is reported to be dead, it remains a matter of concern, and its immediate removal is essential to avoid any untoward incident in near future.

We, therefore, most humble, request you to kindly take necessary action, in this regard, at the earliest possible and arrange for the safe dismantling and removal of the said 66 KV dead line from our school premises, being a mandatory condition of CBSE for seeking approval of School as a Branch School. Hence, your early and prompt action, in this regard, will ensure a safe environment for our little tiny tots, staff and visitors. Please treat it as **MOST URGENT**.

We shall remain ever grateful to you for your co-operation and oblige.

Thanks and regards,

Sincerely faithfully,

*Narinder*
