Central Board of Secondary Education,  
(Affiliation Branch)  
Shiksha Kendra, 2 Community Centre, Preet Vihar,  
**New Delhi-110 092.**

Respected Sir/Madam,

With profound regards, we wish to state that as per guidelines of your esteemed Board, our school has been physically inspected by the Inspection Committee constituted by your esteemed Board, on Tuesday, 30<sup>th</sup> September, 2025, seeking Approval of Branch School from Bal Vatka-I to Class-V and on 30.12.2025, subsequently CBSE has rejected our application on account of few deficiencies which has been now compiled by our school and we are hereby submitting our reply to Hon'ble Review Committee members, in response of compliance of these conditions in the following forelines for your information & record please:

1. That our School has applied online application for seeking approval as Branch School from your esteemed Board from classes Bal Vatika-I to Class-V, and our school is located under Municipal limits of Patran City in the Patiala District. Our school has submitted a certificate from the Municipal Council, Patran, stating that our Branch School is lying within the municipal limit of Patran District Patiala and the population of the same is approximately 1,93,683 which is less than 10 lakh. Thus, the school does not falls under any land relaxation category and most humbly, it is clarified that our school has applied for seeking approval as Branch School as per land norms for Branch School, having a minimum contiguous land area of 1200 Sq Mtrs. with one Section each in Bal Vatika-I, II and III and 1 section each in Classes from Class-I to Class-V and in case of land area more than or equal to 1600 Sq Mtrs, the sections permissible will be as per Appendix V of the Affiliation Bye-laws 2018 (copy attached) and our School has not claiming any land relaxation as our school has a land area of 3626.20 Sq Mtrs which is more than land norms required for setting up a Branch School, copy of Land norms for Branch School as per Affiliation Bye-Laws (Branch School)-2025 alongwith copy of certificate issued by the Municipal Corporation citing that the school falls under the jurisdiction of Patran, District Patiala (Punjab), copy of Certificate of Land duly issued by the competent authority i.e. Tehsildar, Patran (Patiala), supported with a certificate with details of built up carpet area of the school building duly certified by a licensed architect and an Undertaking in this regard, are also attached herewith for your information and record please.
2. In response of your clause that as per the compliance video, there is no boundary wall at 7:54, it is appearing that the school is using the rear side of another plot as boundary wall. In this regard, it is clarified that the school has constructed pucca boundary wall in continuation from 7:54, as objected by your esteemed Board. Further, as per video ref time 5:51, two sides of the school building used as boundary wall and there are windows opening toward the road/other plot, it is clarified that the windows are not opening toward the road/other plot, but are opening towards the gallery of school, having boundary wall of more than 6 ft. (around 10 ft.). Hence, it is clarified that the school is bounded with concrete boundary wall / walls of school building for the safety of school as well as of students of the school (because school is running since 2005 duly affiliated to State Board i.e. P.S.E.B., SAS Nagar (Mohali) Punjab and at that time, there are not any norms to construction school building bound by concrete pucca boundary wall from all sides, but partially bounded by the concrete pucca boundary wall / walls of school building. Copy of an Undertaking by President of SMC of Branch School, is also attached herewith in its support and your ready reference please.

3. As per the clause - The school has submitted a certificate from Senior Executive Engineer Suburban Division, Patran, which is not clear as the school name is not mentioned in the certificate regarding a HT line passing over the open play area with high power electricity which is a dead line and harmless. It is clarified that copy of letter issued by the concerned Department wherein it has been clearly mentioned that this HT Line is dead and even harmless, a revised certificate in this regard issued by Senior Executive Engineer, Suburban Division, Patran to our School with School Name, has been attached herewith and also uploaded on School Website vide link: <https://sparklingkids.in/wp-content/uploads/2026/01/Letter-by-PSPCL.pdf>, for your information and ready reference please. School has also requested to the PSPCL for its removal from School Campus as per guidelines of IC and your esteemed Board which is also uploaded on School Website vide link: <https://sparklingkids.in/wp-content/uploads/2025/10/Adobe-Scan-Oct-04-2025.pdf>, for your information and ready reference please.
4. That as per the application, the school name and address is "Sparkling Kids The Foundation, Chunagra Road Patran, District Patiala (Punjab)", However, as per the UDISE Code 03170608603 filled by the school, name of the school in UDISE portal given as "VICTORIA PUBLIC SR SEC SCHOOL, SAMANA-1, AT PATRAN, DISTRICT PATIALA, PUNJAB", in this regard, it is clarified that earlier the said school is running under the name of "VICTORIA PUBLIC SR SEC SCHOOL, SAMANA-1, AT PATRAN, DISTRICT PATIALA, PUNJAB", before setting up this as Branch School under the name of "Sparkling Kids The Foundation (Branch School), Chunagra Road Patran, District Patiala (Punjab)", by the Main School i.e. "Sparkling Kids The Foundation, Nial Bye-pass, Patran, District Patiala (Punjab)", running under the aegis of Nahar Educational Society, Patran-147105, Distt. Patiala (Punjab). Approval for change of School name on UDISE and E-Punjab was already granted by the concerned department, but due to some technical issue, it was not done well in time, but now, the School name is changed/ updated as "Sparkling Kids The Foundation (Branch School), Chunagra Road Patran, District Patiala (Punjab)" on E-Punjab/ UDISE by the department of District Education Officer office i.e. District M.I.S. Co-ordinator vide UDISE Code 03170608603. Copy of letter issued by the District Education Officer (Elementary Education), Patiala, alongwith screenshots showing change of school name on E-Punjab/ UDISE are also attached herewith for your ready reference and record please.

Further, we also hereby wish to state that the aim of our school is to impart quality education to its students to cope up with the standard of CBSE, keeping the morale of our students as well as the standard of our school very high, enabling to develop the all-round personality, morale of our students', to face the challenges of present and future life with quite ease.

Further, it is also assured that it is an honest assurance to stick to CBSE affiliation bye-laws now and after grant of approval by your esteemed Board, in future too.

With profound regards,

## **UNDERTAKING**

I, Gurmeet Kaur W/o Shri Nahar Singh, President of School Managing Committee of Branch School: Sparkling Kids The Foundation, Chunagra Road, Patran-147105, District Patiala (Punjab), set up by Sparkling Kids The Foundation, Nial bye-pass Road, Patran, District Patiala (Punjab)-147105 (Main School), running under the aegis of Nahar Educational Society, Patran, Distt. Patiala (Punjab), do hereby solemnly affirm and sincerely undertake as follows:

1. That our school has applied for seeking approval as Branch School as per land norms for Branch School i.e. having a minimum contiguous land area of 1200 Sq Mtrs. with one Section each in Bal Vatika-I, II and III and 1 section each in Classes from Class-I to Class-V and in case of land area more than or equal to 1600 Sq Mtrs, the sections permissible will be as per Appendix V of the Affiliation Bye-laws 2018 and our School is not claiming any land relaxation as our school has a land area of 3626.20 Sq Mtrs which is more than the land norms required for setting up a Branch School as per CBSE norms.
2. In response of your clause that as per the compliance video, there is no boundary wall at 7:54, it is appearing that the school is using the rear side of another plot as boundary wall. In this regard, it is clarified that the school has constructed pucca boundary wall in continuation from 7:54, as objected by your esteemed Board. Further, as per video ref time 5:51, two sides of the school building used as boundary wall and there are windows opening toward the road/other plot, it is clarified that the windows are not opening toward the road/other plot, but are opening towards the gallery of school, having boundary wall of more than 6 ft. (around 10 ft.). Hence, it is clarified that the school is bounded with concrete boundary wall / walls of school building for the safety of school as well as of students of the school (because school is running since 2005 duly affiliated to State Board i.e. P.S.E.B., SAS Nagar (Mohali) Punjab and at that time, there are not any norms to construction school building bound by concrete pucca boundary wall from all sides, but partially bounded by the concrete pucca boundary wall / walls of school building. Copy of an Undertaking by President of SMC of Branch School, is also attached herewith in its support and your ready reference please.
3. That as per the clause - The school has submitted a certificate from Senior Executive Engineer Suburban Division, Patran, which is not clear as the school name is not mentioned in the certificate regarding a HT line passing over the open play area with high power electricity which is a dead line and harmless, it is clarified that copy of letter issued by the concerned Department wherein it has been clearly mentioned that this HT Line is dead and even harmless, a revised certificate in this regard issued by Senior Executive Engineer, Suburban Division, Patran to our school with school Name, has been obtained and also uploaded on School Website vide link <https://sparklingkids.in/wp-content/uploads/2026/01/Letter-by-PSPCL.pdf>.
4. That as per the clause - Though the school has got the certificate of change of name from Victoria Public Senior Secondary School has been officially changed to Sparkling Kids The Foundation (Branch School). However, on the USIDE portal (03170608603) name of the school is still showing as "VICTORIA PUBLIC SR SEC SCHOOL". It is clarified that earlier the said school was running under the name of "VICTORIA PUBLIC SR SEC SCHOOL, SAMANA-1, AT PATRAN, DISTRICT PATIALA, PUNJAB", before setting up this as Branch School under the name of "Sparkling Kids The Foundation (Branch School), Chunagra Road Patran, District Patiala (Punjab)", by the Main School i.e. "Sparkling Kids The Foundation, Nial Bye-pass, Patran, District Patiala (Punjab)", running under the aegis of Nahar Educational Society, Patran-147105, Distt. Patiala (Punjab). Approval for change of school name on UDISE and E-Punjab was already granted by the concerned Education Department, but due to some technical issue, it was not done well in time, but now, the school name is changed/ updated as "Sparkling Kids The Foundation (Branch School), Chunagra Road Patran, District Patiala (Punjab)" on E-Punjab/ UDISE by the department of District Education Officer office i.e. District M.I.S. Co-ordinator vide UDISE Code 03170608603..

The above mentioned facts are true and correct to the best of my knowledge, information and belief.

**PRESIDENT**

Notarized Translated copy of Letter from PSPCL regarding HT line passing over the open play area, stating the Lines are dead and are harmless, into English version

**CERTIFICATE**

It is certified that as per the information received from the Sub Divisions, 220 KV to 66 KV Badshahpur Line, 220 KV to 66 KV Sailwala and 220 KV to 66 KV Khanouri Line which are on rail tracks fall under S/W Urban Patran, Rural Patran and Khanouri which are not in use for a long time and due to dense population under these lines the ground clearance is less. It cannot be used as 11 KV lines. If PSPCL wants to dismantle these lines, then the consent is expressed by the Divisional Patran. This is in your interest to take further action.

Patran, District Patiala (Punjab)

Subject: Humble request for removal of Dead 66 KV Line from School Premises

Respected Sir/Madam,

I, on behalf of Sparkling Kids The Foundation School, am writing to bring to your kind notice that our school has been inspected physically by the Inspection Committee (IC), constituted by CBSE, New Delhi for approval of our school as a Branch School of **SPARKLING KIDS THE FOUNDATION (MAIN SCHOOL), NIAL BY PASS ROAD, PATRAN, DISTRICT PATIALA-147105 (PUNJAB)** for running classes from Classes Bal Vatika-I to Class-V from C.B.S.E., New Delhi and during the course of physical inspection, the IC members has raised an objection i.e. to remove a 66 KV line passes passing over the open play area which is a dead line, within the premises of our school located at Chunagra Road, Patran. This line is no longer in use but poses a potential risk to the safety of our little tiny tots, students, staff, and visitors.

As you are aware, the presence of such lines in school premises creates a hazardous environment, especially for little tiny tots. Although, the line is reported to be dead, it remains a matter of concern, and its immediate removal is essential to avoid any untoward incident in near future.

We, therefore, most humble, request you to kindly take necessary action, in this regard, at the earliest possible and arrange for the safe dismantling and removal of the said 66 KV dead line from our school premises, being a mandatory condition of CBSE for seeking approval of School as a Branch School. Hence, your early and prompt action, in this regard, will ensure a safe environment for our little tiny tots, staff and visitors. Please treat it as **MOST URGENT**.

We shall remain ever grateful to you for your co-operation and oblige.

Thanks and regards,

Sincerely faithfully
